Dear Parent/Guardian,

We hope this letter finds you well. As we prepare for another fun and exciting summer camp season, we want to ensure that all parents and guardians are informed about our policy regarding cell phones.

While we understand that many individuals may want their children to have their phones at camp for safety and communication purposes, we want to emphasize that the camp will not be held liable for any loss, damage, or theft of these devices.

If your child decides to bring a cell phone to camp, please be aware of the following:

1. **Responsibility:** Your child will be solely responsible for the care and security of their cell phone.
2. **Limited Use:** The use of cell phones will be restricted to designated times to maintain a safe and interactive camp environment. Counselors will inform the campers of appropriate times and places for phone use.
3. **No Liability:** Riverhead Recreation will not assume any responsibility for lost, stolen, or damaged devices.

We appreciate your understanding and cooperation in this matter. Our goal is to provide a safe and fun environment where all campers can create lasting memories and build new friendships. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,
2024 Riverhead Recreation Summer Camp Staff
